Thanks for the opportunity to compliment your special day!

Here are some things to help you get started:

1. Lets check the date to see if we are available to cater your event and utilize an event site that allows outside catering.
2. Check over our menu, focus on Main Courses so its not so overwhelming. We typically build your menu around the Main Course.
3. Email us an idea of menu, this can be general. Think of details you might like to see taken care from plates, silverware and glassware to hors d'ouevres, and beverages.
4. Let us know the time and date of the Wedding. Will your ceremony be on site? Include your full name and contact information so we can email you a comprehensive, itemized estimate.
5. If everything looks feasible, affordable and we are available, its time to set up a tasting!
6. We usually have you pick two or three Main Courses. You can see the quality of our food and its presentation as well as help you narrow down your options.
7. If you are satisfied with the tasting, we accept a security deposit (usually \$2,000.00) to hold the date. That deposit goes towards your final balance.
8. Final count, menu choices and balance are due 7days prior your event.
